WHO WE ARE

The company was established more than four decades ago, Mainly by the vision & zeal of our Founder, Chairman & Managing Director Late Mr.Mandi Mohammed Farooq way back in 1978. Under his leadership our company has grown to leap & bounds by establishing branches in national & international centers. We owe our success & will always cherish his vision & bold business decisions.

OUR HISTORY - OUR FOUNDATION

Over Seven Decade of Service Since 1947 Promoted by our parent venture Mandi Ahmed Basha & Sons, AIROGO inherits a cumulative expertise and a track record of over five decades providing comprehensive transport & cargo forwarding services including ocean freight, airfreight, land transport and logistics management, with focus on import export consolidation Airogo"s well entrenched operational presence and export of goods to world over. We caters to customers in the field of Electronic, Engineering components, Textiles and Leather products.

OUR MISIION - A NEW MANDATE

The neo-globalization, liberalization and privatization within and off shores has ushered in a new quest for competitiveness in the field of cargo forwarding services, be it in real-time service delivery by supplier or the value for every penny paid to us, It is in this context we "AIROGO LOGISTICS PVT LTD.," have benchmark ourselves with a clear mandate and mission.

To provide quality services at international standard each time, every time.

We are committed to fulfilling the above objective for our customers and overseas partners by our ongoing internal audit of service delivery system & response time, periodic capacity building of human capital and upgrading of our information technology system.

OUR VISION - A NEW HORIZON

In keeping with its recent self-initiated restructuring of its corporate philosophy and business goals. Airogo has set its vision: To consistently be one among the most preferred logistics service providers in the region.

OUR STRATEGY - A NEW PROACTIVENESS

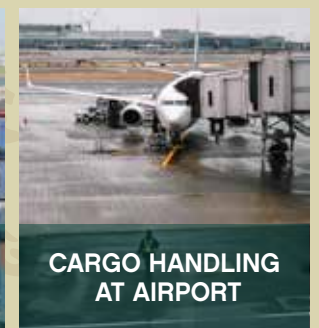

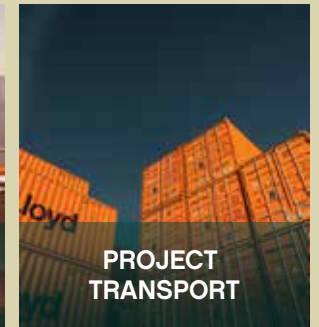

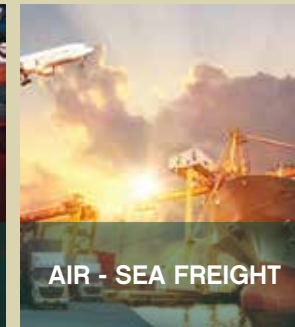

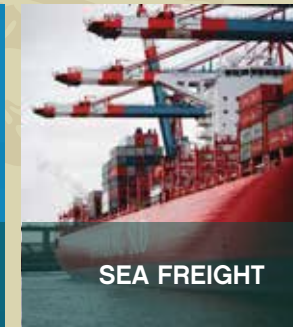

Quality human Capital, Upgraded technology, diversified service package, Multi - location agency network, shared returns and volume business at competitive price would remain our strategy to help us move forward towards our cherished vision of becoming a world class player in the chosen profession.

OUR TEAM

We believe our employees are our profit centers. In order to realize this, their talents and attitudes are arrowed towards customers service. Our dedicated team of 60 executives has been professionally trained in cargo & Dangerous Goods Regulations and hand picked from the best in the industry to jell with this work ethic in mind.
